*"Think Big... Think Beyond"*

Problem 4: You did volunteer work for the Community Food Drive in your city. You would like to recruit other friends to volunteer for community service. You have been asked to create a Web page to display information about why you choose to volunteer and let people know how they also can help

```
<!DOCTYPE ><html>

<head> <title>Community Food Drive</title>

</head>

<body>

<h1>Community Food Drive</h1>

<h2>Why I Volunteer</h2>

<p>I Chose to volunteer because I want to help people in need and make my community a better place.</p>

<p>I also wanted to learn new things and work with others.</p>

<h2>How You Can Help</h2>

<p>You can help by donating food and volunteering your time. Every small contribution can make a big difference </p>

<h2>Join Us</h2>

<p>Join us as a volunteer and invite your friends to help people in need.</p>

<p>Together, we can make a positive difference in our community.</p>
